The Art Of Fire Places

The Art Of Fire Places

an experienced leader in the gas fireplace industry

shown with optional brick lining, wrought iron grate, and satin black louvres

The Art Of Fire Places

H series single-sided direct vent

Features Common to All Models:

- Fireplace may be installed using Top or Rear Direct Vent flue outlet for maximum versatility
- Unique pan burner design and technology
- Ceramic fibre logset with glowing embers, provides realism, detail, and the glow of a real wood fire
- Horizontal Louvre Packages available in Satin Black, Polished Brass, and Stainless Steel finishes
- Large viewing area for a full view of the spectacular fire
- Snap-Lock door system for tool free access inside the firebox
- Hi/Lo control for adjusting flame level
- Piezo spark ignition
- Millivolt control allows for continuous operation, even during a power failure
- 100% fail-safe shut-off valve

Shown with optional brick lining, arched door cover, wrought iron grate, and satin black louvres.

- 39" X 28 1/2" Glass Door Size

Consult the owner's manual for complete installation instructions and proper clearances to combustible surfaces prior to installing fireplace.

Warranty: The manufacturer warrants this fireplace to be free from defects in materials and workmanship at the time of manufacture. There is a limited 10 year warranty on the firebox; 5 year limited warranty on the burner and 1 year limited warranty on the pilot burner assembly and fan motors (if included). The valve carries a limited 1 year warranty unless otherwise specified in the installation manual. Glass, plated/painted finishes and refractory lining are exempt.

All specifications, framing dimensions, product designs, materials and colors are subject to change without notice. The actual flame pattern and color may vary slightly from the illustrations. Diagrams and illustrations are not to scale.
